

PUBLIC FORUM PRIOR TO MEETING ON 11 SEPTEMBER 2023

There was one member of the public present who came along to speak about the planning application for East Fen Lane: the road is too narrow for caravans to be using; where will the waste water, of all kinds, from the site be going as the ditch is already full of sewerage; the site is in a flood zone 3; there is no time scale for the transit caravans stay; the local surgery is always over booked for appointments and is there enough places for any children in the local schools?
